I did not see a leaf
I tried to look but
but I need a hat

I did not see a leaf
I tried to look but
but I need a hat

I did not see a leaf
I tried to look but
but I need a hat

I did not see a leaf
I tried to look but
but I need a hat

I did not see a leaf
I tried to look but

NEW YEAR!

People came from all over the world to find gold.

Billy barker found gold at a depth of forty feet.

Buildings were raised on posts to avoid the mud.

In the early 1860's food and supplies were carried to the Cariboo on miner's backs or by pack trains.

Barker continued to be a thriving little town until the 1930's.
