To Whom it May Concern,,

I am currently a teacher candidate from the Thompson Rivers University Bachelor of Education Program which I will be finishing in April. I recently completed my teacher qualification practicum, and I am eligible for my certification documentation which I hope to receive by June 2023. I am a Williams Lake born and raised resident which makes School District #27 the perfect place to work, live and play.

I am excited to be applying to your district. As someone who loves education, is flexible, possesses excellent organizational skills and can connect easily with students, this is the ideal opportunity for me to continue my professional development. I believe that my experience and passion for teaching would be a great fit for your District.

I look forward to personally discussing how my strengths can serve your students. I am equally reachable by email or phone call to review my qualification in greater detail.

Sincerely,
Tianna Frost
